**KEEPING SAFE: CHILD PROTECTION CURRICULUM & POLICY**

AT PENNINGTON WE VALUE

- PERSISTENCE
- RESPECT
- RESPONSIBILITY
- COURAGE
INTRODUCTION
The Child Protection Policy is based on these principles:
- The safety of children is paramount
- Children are the most vulnerable members of society
- Children need to know and believe that they have a right to be safe at all times
- Children are entitled to basic human rights regardless of special needs, cultural, or socio economic factors
- Children are deserving of respect, care and protection
- Children are entitled to the support of an advocate on their behalf

LEGISLATIVE REQUIREMENTS
It is a legal requirement for DECD employees and a school’s responsibility:
- To report all suspected cases of abuse and neglect
- To ensure that all employees and volunteers have an appropriate level of training to be able to recognise abuse and neglect
- To ensure that effective abuse prevention programs are implemented
- To implement a curriculum that addresses issues of child protection

Under the Children’s Protection Act, DECD has a legislated responsibility with other agencies to protect children and young people from abuse in its own settings and in the wider community. Schools and sites have the responsibility, reinforced by Anti Discrimination Legislation and Duty of Care, to protect and care for every learner.

DEFINITIONS OF CHILD ABUSE
Physical Abuse is deliberate physical harm inflicted on a child/young person
Sexual Abuse occurs when someone in a position of power involves a child/young person in sexual activity
Emotional Abuse occurs when words and actions are directed at a child/young person whereby social competence and self esteem are undermined or eroded
Neglect is characterised by the failure to provide for a child/young person’s basic needs
